

# WE TAKE GENTLY USED FURNITURE.

- Homebuyers and sellers should know that the Cleveland Furniture Bank will take their gently used furniture. And you can help. Often when an individual or family purchases or sells a home, they want to downsize or replace their present furniture. That means that couches, tables, chairs, bedroom suites, mattresses and other gently used furniture and operating appliances may be available to help a needy family.
- The Cleveland Furniture Bank will pick up at no cost to the donor. Two thirds of all the furniture collected is given to those in need to turn a house into a home. The other third is sold to help underwrite the cost of running the Cleveland Furniture Bank. That translates into a lesser need for fund raising—a non-profit model that appears to be leading edge. The Cleveland Furniture Bank is a 501(c)(3) charity and all donations are tax deductible.
- It's easy to schedule a FREE home pick up in the Greater Cleveland Area. Simply call 216-459-2265 ext. 101.

The Cleveland Furniture Bank Pick Up area includes:
